

Welcome to eThought.com's Free Inspirational Home Pages!

Setup your home page in **two easy steps** (you may want to print these instructions):

1. Browse our free Inspirational Home Pages and choose the one you want to use as your home page. (Go to the Home Page section at eThought.com and then click on "View Next Home Page" or "Home Page Gallery" at the top of the page to browse through the available pages).

2. Set that page as your home page using your internet browser software:

- For **Internet Explorer**: From the menu, select "Tools" "Internet Options" and then enter the url address...or select "Use Current"
- For Apple's **Safari**: From the menu, select "Edit" "Preferences" and then look for the Home Page section.
- For Mozilla **Firefox**: From the menu, select "Tools" "Options" and then look for the Home Page section.
- For Google's **Chrome**: From the menu, select the wrench icon, then "Options" and look for the Home Page section.
